# Opening Ceremony

## The best sport parade in Italy

The opening parade reaches the main square of Pordenone, crossing the medieval alleys of the old town. The participants walk and sing together, while the citizens of Pordenone come out from their windows to cheer with them. An explosion of colors, joy and youth that will be in the participants' hearts forever.

## The largest confetti show in sport

At the end of the parade, the teams reach the main square of Pordenone, where a stage is waiting with music and entertainment. At their arrival in the square everybody gets a set of confetti. The opening ceremony concludes with a countdown that gives the sign to launch the confetti. Together with the participants of Donna Cup and Cornacchia World Cup, this creates the largest confetti show in sport!

# Awards Ceremony

Every team receives a trophy, and winners get also the medals. Individual awards are given to best players and goalkeepers.

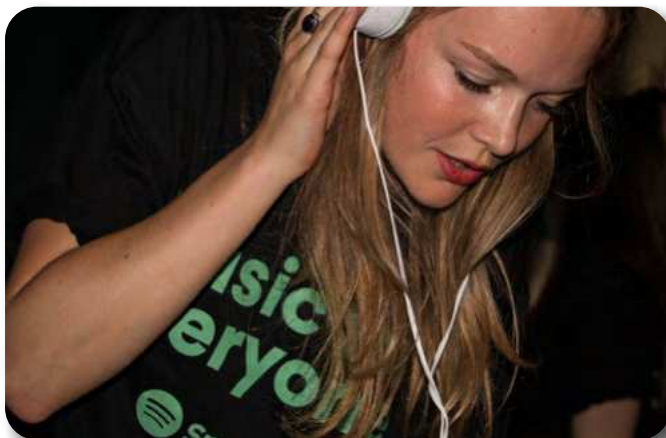

# The Party

Sunday night we sing and dance together! A nice moment for players to make new friends outside the pitch, and a wonderful occasion for coaches to share experiences and fun with each others. The entrance is free of charge, for everybody.
